

Mission Statement

The Mission of the Woodgate Library is to provide both year-round residents and seasonal visitors to our community a welcoming and educational a gathering place, educational, programs, history, learning recognizing inclusion, diversity, equity and access to all.

Five Year Plan/Goals

- ❖ Continually review and update our selection of reading and educational materials to meet the interests and needs of our patrons
- ❖ review usage statistics and seek patron feedback in order to reallocate some resources to materials which are in high demand, offering patrons new formats as they become available as well as training for those not familiar with these formats (i.e. Libby, and online magazine usage).
- ❖ Update and renew our Young Adult reading materials, both fiction and nonfiction
- ❖ Closely monitor the census makeup of the community and strive to provide engaging programs, educational opportunities commensurate with the current population
- ❖ Review and update our History/Adirondack Room materials
- ❖ Library's newly launched web page, along with social media accounts will be updated regularly and will offer current and accurate information of upcoming programs, events and important items.
- ❖ Create a 360° tour of the library and post on the library's website and social media
- ❖ Maintain Historical Artifacts and Records. Inventory historical materials and maintain them. Preserve library archival materials and provide appropriate conditions. Seek more donations of local publications and documents
- ❖ The historical information on the website needs to be overhauled, and current information downloaded to it
- ❖ With the updates to our Community Hall, promote its use for meetings, gatherings, and year-round programming for the Library
- ❖ Make a concerted effort to attract a "Friends Group" to the library, whose function would be to assist with programming and volunteer assistance
- ❖ Continue to maintain and update the Library building(s) and facilities for optimal use
